## SIXTH SUNDAY IN ORDINARY TIME - YEAR A

**15 - 16 February 2020**

'They are happy who follow God's law!'

Mass book page 136

### THE GOD WHO SPEAKS

Today's readings reveal God's law as something different from human-made laws, which are imposed on people to keep them in check. God's law is born in love and given in love, and, is fulfilled by our loving response to it. Because God does not impose the law, we are always free to choose our response. God's loving and wise care means that we are supported in our response. When we do respond lovingly, we will experience happiness on earth and know greatness in God's kingdom. Let's ask for the grace, in the coming week, to really seek the Lord with all our hearts. And to respond to the circumstances of our daily lives with loving wisdom, knowing that in everything we are being guided, held and encouraged by God's law of love.
