SOLEMNITY OF THE MOST HOLY BODY AND BLOOD OF CHRIST

Year C

18th to 19th June 2022

REFLECTION **Genesis 14:18-20 Psalm 109 1** **Corinthians 11:23-26** **Luke 9:11-17**

The Feast of Corpus et Sanguinis Christ (the Body and Blood of Christ) serves to draw us deeper into the relationship with God by acknowledging that the gift we receive from the altar is truly the Body and Blood of Christ, the sustaining food from God which strengthens us both physically and spiritually. In the First Reading: a priest-king comes from Jerusalem, offering bread and wine to celebrate the victory of God's beloved servant, Abram, over his foes. In the second reading, Jesus transformed the sign of bread and wine, making it a sign of His body and blood, through which God bestows upon us the blessings of His "new covenant." By the miracle of loaves and fishes, Jesus in today's Gospel again prefigures the blessings of the Eucharist. Notice that He takes the bread, blesses it, breaks it, and gives it to the Twelve. You find the precise order and words in the Last Supper and in His celebration of the Eucharist on the first Easter night. Through His priests, Our Lord still feeds us in "the deserted place" of our earthly exile. As often as we share in His body and blood, we proclaim His victory over death, until He comes again to make His victory our own!
