## WORLD MISSION SUNDAY

This Sunday, 20 October 2019 is a vitally important part of the Extraordinary Month of Mission. On this day the whole Church unites in an act of universal solidarity in prayer for its missionary activity. With my recent visit to Malawi I was amazed at how the local communities are energised to look at themselves as missionaries to their own basic Christian communities, reaching out to those who have slowed down in the practice of their faith. It was so inspiring to see how people with so little to live on take pride in pulling their resources together to embark on massive Church projects. Where there is faith much can be achieved.

**Mass Intentions**

An individual may ask a priest to offer Mass for several reasons: for example, in thanksgiving, for the intentions of another person (such as on a birthday), or for the repose of the soul of someone who has died.

In his encyclical 'Ecclesia de Eucharistia', our late Holy Father, Pope John Paul II, taught, "In the celebration of the Eucharistic Sacrifice, the Church prays that God, the Father of all mercies, will grant His children the fullness of the Holy Spirit so that they may become one body and one spirit in Christ. In raising this prayer of the father of lights, from whom comes every good endowment and every perfect gift, the Church believes that she will be heard, for she prays in union with Christ her Head and Spouse, who takes up this plea of His Bride and joins it to His own redemptive sacrifice" (No.43).

If you would like to have a mass offered for someone, envelopes are available in the narthex on which you may put the details, and make an offering if you wish. Weekend masses are popularly requested but there are often weekday masses with no intentions so do please consider a weekday.
